

West O'ahu/Farrington Highway Guideway Contract

Kiewit Field Work
Traffic Update
Week of June 26, 2011

Traffic Impacts:

- Crews will be working along Farrington Highway between Acacia Road and Kualakai Parkway trimming and relocating trees
- Crews will be working along Farrington Highway between Ala Ike Street and Kualakai Parkway. Work will consist of:
 - Drilling work on the shoulder of Farrington Highway in front of Waipahu High School.

Farrington Highway, H-1 and City Streets Traffic Plan:

- Work will require lane closures during the day from 8:30 a.m. to 3 p.m. with shoulder work signage/cones along the side of the road to mark the work area.
- One lane of traffic in each direction along Farrington Highway will remain open.

Contact Us:

Summary:

Kiewit Infrastructure West Co., awarded the contract for the first 6.5-miles of the Honolulu Rail Transit Project, is continuing to prepare for construction with work along the project route from East Kapolei to Pearl City. The City and County of Honolulu issued a notice to proceed to Kiewit for the relocation of utilities, design and pre-engineering activities in East Kapolei and along Farrington Highway in Waipahu. During this work, crews will be working on Kamehameha Highway and Farrington Highway between Acacia Road and Kualakai Parkway along the median and shoulder lanes. Kiewit continues safety, public information and environmental training for all Kiewit staff, craft, subcontractors and consultants related to the project. Kiewit and the City continue with community relations efforts by keeping the public informed of lane closures and possible impacts.
